INTRODUCING THE DEFENCIFY TRAINING SECURITY JOB BOARD

Connecting Security Professionals with *Top Opportunities!*

– WHAT IS DEFENCIFY SECURITY JOBS?

The **Defencify Security Jobs Board** is our innovative platform that connects security guard job seekers with employers needing qualified candidates. Designed for individual guards and security companies, this powerful job board streamlines the hiring process and makes finding or filling security roles faster and easier.

– WHY CHOOSE DEFENCIFY SECURITY JOBS?

Built for Security Professionals:

As a trusted name in security guard training, Defencify understands the industry's unique needs.

High Visibility for Employers:

Over 15,000 people visit the Defencify website monthly to learn how to become security guards. Our research shows that up to 40% of these visitors are not currently employed as guards, giving employers direct access to a fresh pool of motivated job seekers.

Expertise You Can Trust:

Our platform is tailored to help job seekers and employers achieve their goals efficiently.

Seamless Integration:

From training to job placement, Defencify is your all-in-one solution.

FRONT

Sew In Love
SEWING MACHINE SERVICE & REPAIR

Keeping You In Stitches!
When was the last time your sewing machine was cleaned and serviced?

Cleaning & Service:
Did you know your regular sewing machine should be serviced at least once a year? If you sew all the time, like quilting or doing alterations your machine should be serviced every six months.

KEEP YOUR INVESTMENT IN TOP NOTCH SHAPE!

Repair:
If your machine needs repair you will receive a detailed list of what needs to be repaired, cost of parts and the labor cost before any repairs are made. Many times, minor repairs will be taken care of while normal cleaning and servicing with no extra labor charge.

BACK

Common Brands Serviced:
Do You Have A

- Alpha Sew
- Baby Lock
- Brother
- Dressmaker
- Elna
- Euro Pro
- Janome
- Juki
- Kenmore
- Necchi
- Simplicity
- Singer
- Wards
- White

And MORE!

All service and repair is conducted by a certified sewing machine repair technician.
